BIOGRAPHY

I'm 25 years old and I'm living in Bergamo, near Milan. I studied Communication Design at Politecnico di Milano. In these years I have had a little work experiences in multiple roles and different situations. In my work, I like creating new things, ideas and projects. In my spare time, I love travelling and playing volleyball.

WORK EXPERIENCES

[sep 2014/today]
Freelencer (logo, UX, UI, print) for Fifth Ingenium Srl, Milano.
